Introduction to Mosaics Course

Discover the art of mosaics in this hands-on, creative course designed for beginners. Over a series of weekly sessions you'll learn essential techniques, explore design principles, and complete your own unique mosaic piece.

Week 1: Foundations of Mosaic Art

- Introduction to the history and styles of mosaics
- Exploring materials: tiles, glass, ceramics, adhesives
- Designing a simple pattern or motif
- Hands-on practice with tile cutting and arranging

Week 2: Preparing Your Mosaic Design

- Transferring your design onto a base
- Understanding adhesives and substrates
- Practicing tile placement for different effects
- Beginning the mosaic assembly process

Week 3: Building Your Mosaic (Part 1)

- Continuing tile placement and refining the design
- Exploring color, texture, and contrast
- Problem-solving and troubleshooting techniques
- Ensuring durability and even coverage

Week 4: Building Your Mosaic (Part 2)

- Completing the mosaic layout
- Making final adjustments to the design
- Preparing for the grouting process

Week 5: Grouting & Finishing Touches

- Applying grout and sealing the mosaic
- Cleaning and polishing techniques
- Display and mounting options
- Course recap and sharing completed pieces
